

Night work on Bells Line of Road, North Richmond from Thursday 16 August

The NSW Government is funding this essential maintenance work under its \$1.5 billion program to maintain and improve the 18,028 kilometre state road network.

Roads and Maritime Services will be carrying out asphaltting and line marking on Bells Line of Road between 50 metres north of Redbank Road and 150 metres north of Crooked Lane. We have included a map to show the location of the work.

Our maintenance work aims to prevent or minimise damage to roads from weather and wear and tear to make them safer, provide consistent driving conditions and reduce maintenance costs in the long term.
